

§ 3485.3

so that the total royalties and production payments owed the holders of these interests will not be in excess of one-half of the Federal royalties, should the Federal royalty reduction be granted.

(3) If the applicant does not meet the criteria of the rules of this part, the authorized officer shall reject such application or request more data from the operator/lessee.

(4) If the applicant meets the criteria of the rules of this part, the authorized officer shall act on the application.

(d) If a Federal coal lease that provides for a cents-per-ton Federal royalty is developed by *in situ* technology, BLM will establish a procedure for estimating tonnage for royalty purposes.

§ 3485.3 Maintenance of and access to records.

(a) Operators/lessees shall maintain current and accurate records for the Federal lease or LMU showing:

(1) The type, quality, and weight of all coal mined, sold, used on the premises, or otherwise disposed of, and all coal in storage (remaining in inventory).

(2) The prices received for all coal sold and to whom and when sold.

(b) [Reserved]

(c) Licensees must maintain a current record of all coal mined and/or removed.

(d) Operators/lessees will retain these records for a period of time as determined by the authorized officer in accordance with current BLM rules and procedures.

Subpart 3486—Inspection, Enforcement, and Appeals

§ 3486.1 Inspections.

(a) The operator/lessee shall provide access, at all reasonable times, to the authorized officer for inspection or investigation of operations in order to determine whether the operations are in compliance with all applicable laws,

43 CFR Ch. II (10–1–08 Edition)

rules, and orders; the terms and conditions of the Federal lease or license; and requirements of any approved exploration plan for:

(1) Abandonment.

(2) Environmental protection and reclamation practices.

(b) The operator/lessee shall provide access, at all reasonable times, to the authorized officer for inspection or investigation of operations in order to determine whether the operations are in compliance with all applicable laws, rules, and orders; the terms and conditions of the Federal lease or license; and requirements of any approved resource recovery and protection plan for:

(1) Production practices.

(2) Development.

(3) Resource recovery and protection.

(4) Diligent development and continued operation.

(5) Audits of Federal rental and royalty payments on producing Federal leases.

(6) Abandonment.

(7) MER determinations.

§ 3486.2 Notices and orders.

(a) *Address of responsible party.* Before beginning operations, the operator/lessee shall inform the authorized officer in writing of the operator/lessee's post office address and the name and post office address of the superintendent or designated agent who will be in charge of the operations and who will act as the local representative of the operator/lessee. Thereafter, the authorized officer shall be informed of any changes.

(b) *Receipt of notices and orders.* The operator/lessee shall be construed to have received all notices and orders that are mailed by certified mail, return receipt requested, to the mine office or handed to a responsible official connected with the mine or exploration site for transmittal to the operator/lessee or his local representative.

§ 3486.3 Enforcement.

(a) If the authorized officer determines that an operator/lessee has failed to comply with the rules of this part, the terms and conditions of the Federal lease or license, the requirements of

Bureau of Land Management, Interior

§ 3487.1

approved exploration or resource recovery and protection plans, or orders of the authorized officer, and such noncompliance does not threaten immediate and serious damage to the mine, the deposit being mined, valuable ore-bearing mineral deposits or other resources, or affect the royalty provisions of the rules of this part, the authorized officer shall serve a notice of noncompliance upon the operator/lessee by delivery in person to him or his agent, or by certified mail, return receipt requested, addressed to the operator/lessee at his last known address. Failure of the operator/lessee to take action in accordance with the notice of noncompliance within the time limits specified by the authorized officer shall be grounds for cessation of operations upon notice by the authorized officer. The authorized officer may also recommend to the authorized officer the initiation of action for cancellation of the Federal lease or license and forfeiture of any Federal lease bonds.

(b) The notice of noncompliance shall specify in what respect(s) the operator/lessee has failed to comply with the rules of this part, the terms and conditions of the Federal lease or license, the requirements of approved exploration or resource recovery and protection plans, or orders of the authorized officer, and shall specify the action that must be taken to correct such noncompliance and the time limits within which such action must be taken.

(c) If, in the judgment of the authorized officer, an operator/lessee is conducting activities which fail to comply with the rules of this part, the terms and conditions of the Federal lease or license, the requirements of approved exploration or resource recovery and protection plans, or orders of the authorized officer, and/or which threaten immediate and serious damage to the mine, the deposit being mined, valuable ore-bearing mineral deposits, or, regarding exploration, the environment, the authorized officer shall order the immediate cessation of such activities without prior notice of noncompliance.

(d) A written report shall be submitted by the operator/lessee to the authorized officer when such noncompliance

has been corrected. Upon concurrence by the authorized officer that the conditions which warranted the issuance of a notice or order of noncompliance have been corrected, the authorized officer shall so notify the operator/lessee in writing.

(e) The authorized officer shall enforce requirements of SMCRA only if he finds a violation, condition, or practice that he determines to be an emergency situation for which an authorized representative of the Secretary is required to act pursuant to 30 CFR 843.11 and 843.12.

[47 FR 33179, July 30, 1982; 47 FR 53366, Nov. 26, 1982. Redesignated at 48 FR 41589, Sept. 16, 1983]

§ 3486.4 Appeals.

Decisions or orders issued by the BLM under part 3480 of this title may be appealed pursuant to part 4 of this title.

[48 FR 41593, Sept. 16, 1983]

Subpart 3487—Logical Mining Unit

§ 3487.1 Logical mining units.

(a) An LMU shall become effective only upon approval of the authorized officer. The effective date for an LMU may be established by the authorized officer between the date that the authorized officer receives an application for LMU approval and the date the authorized officer approves the LMU. The effective date of the LMU approval shall be determined by the authorized officer in consultation with the LMU applicant. An LMU may be enlarged by the addition of other Federal coal leases or with interests in non-Federal coal deposits, or both, in accordance with paragraph (g) of this section. An LMU may be diminished by creation of other separate Federal leases or LMU's in accordance with paragraph (g) of this section.

(b) The authorized officer may direct, or an operator/lessee may initiate, the establishment of an LMU containing only Federal coal leases issued after August 4, 1976. The authorized officer may direct, or an operator/lessee may initiate, the establishment of an LMU containing Federal coal leases issued prior to August 4, 1976, provided that
